## EDUCATION

### Rutgers Business School

Bachelor of Science in Finance · Minor in History

- GPA: 3.4/4.0 · Coursework: Financial Management, Macroeconomics, Financial Accounting, Statistical Methods for Business
- Organizations: Little Investment Bankers of Rutgers (LIBOR); Rutgers Real Estate Club; Chi Phi Fraternity – Delta Chapter

New Brunswick, NJ

Expected December 2027

### The Lawrenceville School

High School Diploma · Cleve House

- High Honors · Awards: Etherington Prize; McClellan Society

Lawrenceville, NJ

2020 – 2024

## SKILLS

**Technical:** Microsoft Excel (financial modeling, pivot tables, VLOOKUP/INDEX-MATCH, variance analysis), PowerPoint, Word, Bloomberg Terminal

**Finance:** Financial statement analysis, financial modeling, industry and competitive analysis, cost variance analysis, contract review, market research

## PROFESSIONAL EXPERIENCE

### Simpson & Brown

Finance & Data Analytics Intern

- Collected and structured field production data on a \$4M construction project, building the documentation base that substantiated a \$50K change order in additional billable scope.
- Reviewed customer contracts against as-built documentation on \$500K–\$5M engagements, identifying scope discrepancies and unbilled work to protect firm margin.
- Built Excel models analyzing 15+ expense reports across 5 active projects over 12 weeks, reconciling line-item costs to budget to isolate margin variance and identify recurring drivers of profitability by job.

Cranford, NJ

May 2026 – August 2026

### Vernon Equity LLC

Equity Strategist

- Grew a proprietary equity portfolio from \$26K to ~\$50K (~92% return) over 6 months by designing and executing systematic technical strategies using RSI and candlestick pattern analysis.
- Back-tested entry/exit signal parameters against historical price and volume data, applying position sizing and real-time risk management discipline to limit drawdown prior to live deployment.

Hamilton, NJ

August 2025 – January 2026

### The Lawrenceville School – Summer Scholars Program

House Fellow

- Supervised residential life for 30–40 middle school students within a 220-student academic program, directing a team of 3 counselors over a 3-week session.
- Ran daily activity programming and academic study support, managing student schedules and accountability; invited to return for a subsequent summer.

Lawrenceville, NJ

July 2025

## PROJECT EXPERIENCE

### Faye Travel Insurance – Growth Strategy Engagement

Strategy Analyst · Rutgers Business School Consulting Program

- Quantified a customer experience capacity gap at a \$100M+ Insurtech firm (170+ employees) via 2+ C-suite interviews and competitive benchmarking of headcount-to-output ratios against peer-stage companies.
- Presented 2 board-ready strategic recommendations (EQ training program and dedicated BD team) to firm leadership, targeting improved service quality and partnership-driven revenue growth.
- Identified 700%+ headcount growth in 4 years without structured client-facing onboarding as the primary scalability risk through stakeholder interviews and process mapping.

New Brunswick, NJ

January 2026 – May 2026
